Meet Türkiye!

At the center of it all.

Surrounded by seas on three sides, Turkey is a transcontinental country with lands in Asia and Europe.

The most populated metropolis of Turkey, Istanbul, is a hub of commerce, tourism, finance, health, technology, culture and art that attracts visitors from every continent through all seasons.

Globally connected.

Istanbul offers the most flights to most places globally, connecting to 5 continents and 250 cities. It has direct flight options to many cities worldwide. It is one of the essential connecting spots for international flights.

Stellar education.

With a k12 education system and an increasing number of qualified schools, Turkey offers excellent educational options. There are also international schools that provide education in other languages for foreign students to study.

Expert in healthcare.

With its solution-oriented and comprehensive health system, Turkey has become the rising star of healthcare services worldwide. In the process of combating the coronavirus epidemic that struck the world, Turkey took fast measures and decisive steps. It has been recognized as one of the healthcare systems that has managed the process best. Turkey is one of the leading health tourism centers in the world, offering health services options beyond world standards for surgery, plastic surgery, hair transplants, and IVF.

Full of investment opportunities.

Foreign real estate buyers and investors from all over the world can buy real estate in Turkey. With a strong economy, government incentives, industry potential, and cost-effective workforce, Turkey is a land of opportunities for investors. It is one of the most investor-friendly countries in Europe, ranked 11th among 36 countries in the OECD 2020 Tax Report “International Tax Competition Index”.

These lands with a unique geographical location on two continents connect to everywhere around the world with modern transportation capabilities. As home to different cultures and civilizations through time, their rich and deep history has evolved it into a treasure of its own with natural beauties and heritage. Many people from all over the world choose Turkey to **start a new life, work, retire or invest** for these reasons and much more.

Why Do Foreign Investors Prefer Turkey?

UNIQUE LOCATION AND EASY TRANSPORTATION

It is a centre of tourism and trade, in the middle of Europe and Asia. With modern travel options, any country is only a few hours away.

FAST AND EASY BUYING PROCESS

Buying real estate in Turkey follows a practical, well-stated process that can be completed in less than a week.
